

## Student Attendance Data

At Sanderson High School, the administration and attendance team want students to be present at least 95% of school days.

There were 43 days in quarter one. Students needed to be present 41 or more days to be considered present 95% of quarter one. We had 1,358 students out of 1,680 students present 41 or more days during quarter one. We had 80.8% of our students present 95% of quarter one.

There were 47 days in quarter two. Students needed to be present 45 or more days to be considered present 95% of quarter two. We had 1,163 students out of 1,687 students present 45 or more days during quarter two. We had 68.9% of our students present 95% of quarter two.
